Sixty-fourth session
Second Committee

Organization of work of the Second Committee

Note by the Secretariat

Allocation of items

1. The agenda items allocated by the General Assembly to the Second Committee will be listed in the letter from the President of the Assembly to the Chairman of the Second Committee (A/C.2/64/1). Background information on those items may be found in the annotations to the agenda (A/64/100).

Programme of work

2. The draft programme of work (see annex) has been prepared bearing in mind paragraph (b) of rule 99 of the rules of procedure of the General Assembly, the provisional agenda of the sixty-fourth regular session of the Assembly (A/64/150), the organizational arrangements agreed upon by the Assembly at the outset of its current session (A/64/250) and the availability of documentation. The number of meetings suggested for the general discussion of the agenda items allocated to the Second Committee is based on past experience.

List of documents

3. Attention is drawn to the addendum to the present note (A/C.2/64/L.1/Add.1), which will list the documentation submitted under the various agenda items allocated to the Second Committee.

Practices and working methods

4. The Second Committee, in implementing General Assembly resolution 58/316, in particular paragraphs 3 (c) and (d) of section C of the annex, shall utilize or expand the practice of interactive debates and the practice of "question time".

Length of statements

5. The Second Committee, in the past, decided to limit statements on all agenda items to 7 minutes and to limit statements during the general debate to 15 minutes.

Conference facilities and meetings arrangements

6. Taking into account the availability of conference services for the Main Committees of the General Assembly, an average of seven formal meetings a week have been scheduled for the Second Committee. Unless otherwise specified, meetings will be held at 10 a.m. and 3 p.m. In this connection, the Assembly decided to remind delegations that punctuality is of the utmost importance in the interest of ensuring an effective and orderly organization of work and achieving economies for the United Nations. As decided by the Assembly, the requirement of the presence of at least one quarter of the members of the Committee to declare a meeting open and permit the debate to proceed has been waived.

Informal consultations

7. In view of the financial measures affecting conference services, and as indicated in the programme of work, some of the formal meetings allocated to the Second Committee will be utilized for informal consultations under the chairmanship of the Bureau members of the Committee so as to ensure full servicing of those consultations. In accordance with established practice, informal consultations will be used for expressing general observations on the proposals and for adopting them ad referendum. All drafting will be done at the level of informal "informal" consultations (without interpretation or other services) and will be conducted by the appointed coordinators/facilitators.

Report of the Economic and Social Council

8. Pursuant to paragraph 4 (c) of section D of the annex to General Assembly resolution 58/316, the item entitled "Report of the Economic and Social Council" should be considered in its entirety in plenary; however, it was clarified by the General Committee that the relevant parts of chapter I of the report that fall under agenda items already allocated to the Main Committees would be considered by the Committee concerned for final action by the General Assembly (see A/59/250/Add.1, para. 4).

Conclusion of the work of the Committee

9. Bearing in mind the number of meetings available to the Second Committee, it is proposed that the Committee set a target date of 24 November 2009 for the conclusion of its work.
